

The Bible 16 Symbolic Teachings Every Christian Needs To Study On Life With The Holy Book And Jesus Christ

As the name suggests, Open Library features a library with books from the Internet Archive and lists them in the open library. Being an open source project the library catalog is editable helping to create a web page for any book published till date. From here you can download books for free and even contribute or correct. The website gives you access to over 1 million free e-Books and the ability to search using subject, title and author.
