## **Wise Up The Challenge Of Lifelong Learning**

Our goal: to create the standard against which all other publishers' cooperative exhibits are judged. Look to \$domain to open new markets or assist you in reaching existing ones for a fraction of the cost you would spend to reach them on your own. New title launches, author appearances, special interest group/marketing niche...\$domain has done it all and more during a history of presenting over 2,500 successful exhibits. \$domain has the proven approach, commitment, experience and personnel to become your first choice in publishers' cooperative exhibit services. Give us a call whenever your ongoing marketing demands require the best exhibit service your promotional dollars can buy.
